

Town of Sutton
ATV/UTV Committee Meeting
March 4, 2020@ 6 PM

Attendance: Clint Gray, Danielle Fortin, Mark Hall, Jeannie Powers, Adam Carleton, Tim Simpson (Select Board)

Clint opened the meeting at 6 PM.

Agenda Modifications:

Tim would like to address the committee under "Other Business."

Approval of Minutes:

Mark makes a motion to accept minutes as written. Jeannie seconds. Motion passes.

Old Business:

Clint would like to let Tim know about the sign package and he thinks that he believes that the Town only needs about 70 signs. Danielle informs them that she spoke with Paul and he has the number for the company contracted to do the signs. He has been trying to get in touch with them.

New Business:

Committee members for appointments for the 2020-2021 Year

- Clint and Danielle will not be signing on for the next year.
- Mark is willing to be a contact and help with signage.
- Jeannie and Adam would also be willing to help Mark. They also think there is no need for the committee at this time. They would like to leave the trail system the way it is and see how it goes.

Correspondence:

Clint handed over copies of emails and newspaper clippings, as well as 2020 Town Meeting Warning.

Other Business:

In Tim's opinion he would like our Committee to be changed to an "Advisory Group" with maybe 5-7 members. He would also like our "trails" to NOT belong to VASA. His last thing is, he would rather not put trails on landowners property, but keep them on the town roads, not legal trails. Tim mentioned that he doesn't want to segregate any ATV owner/ rider to not be able to ride and would like ALL roads open with the exception of VT Routes 5 & 5A.

Town needs to hold yearly Informational Meeting in March, no later than April on the Select Boards new proposal from their next meeting.

Clint is going to suggest to the next Select Board at their monthly meeting, that with him stepping down as chair, he would like to have Mark Hall considered to replace him.

Next meeting will be decided by the newly appointed group set up by the Select Board at their next meeting on March 26th at 6PM.

Clint wanted to thank the committee for their time and energy that was put in over the last year and a half. He appreciates the committee members individually and as a group for all that we have accomplished.

Adjournment:

Jeannie makes a motion to adjourn. Adam seconds. Motion passed. Meeting adjourned at 7:40 PM.

Minutes taken by
Danielle Fortin
