Agenda Modifications:

None

Approval of Minutes:

Under "approval of minutes," it should read, "Paul would like it noted that Mark talked to Danny Hale in last minutes and not make it sound like Danny was at the meeting."

In "Ideas for future trails" it should be noted that the "board" discussed is the "Select Board."

Paul moves to approve with modifications. Adam seconds. Motion moved.

Old Business:

Clint wants it known that we are just making contact with landowners so they feel that they are involved in the process, these trail ideas are not set in stone.

Jeannie spoke with everyone on Morey Rd and the Finnley's stated that they were for "peace and quiet." Jenn Simpson was ok with it but has concerns regarding her horses. Evan, Big E, would be ok as long as he could show them where he would want the trail.

Paul was to speak with Lucien. Lucien was under the weather so he was unable to bring up the subject with him.

Clint hasn't heard back from some. The residents on his road are ok with it. Guzman's (new owners) said they would consider it, and then spoke with someone else and they said because he wasn't going to get anything for it, he was going to decline. Joey Solinsky said he would be ok with us using Craig Pond Rd. Ryan Simpson said because of the hemp field, no, but if we could find another way through, he would be ok with that. Clint walked the Town property that brings you to Sheffield Rd.

Jeannie and Clint talked with a few community members on Underpass Rd and the ones they spoke with seem ok with the idea.

New Business:

New Assignments- Paul will wait until Lucien feels better before speaking with him.

Jeannie and Adam will get in touch with Seymour's.

Clint will speak with Ryan Simpson again after talking to Evan.

Trail Coordinator- Coordinate between the committee and Danny Hale. Figure out what will consider a trail and what they won't. Also look at signage. Clint spoke with Mark Hall and he would be willing to do this.

Secretary Update- Clint spoke with the Select Board about paying the Clerk and they agreed to pay her going forward \$75.00 per meeting from tonight's meeting on.

Correspondence:

None

The next meeting will be June 26th at 6 PM.

Paul moves to adjourn. Meeting adjourned at 7 PM.
