

Sutton Planning Commission
Minutes of meeting 7-24-2018
Location: Sutton Town Offices

In attendance: Paul Brouha (chair), Hank Parker, Brandon Mazur (clerk), Lucien Belanger, Darlene Ahrens

The meeting was called to order at 6:03 P.M.

There were no additions or deletions to the proposed agenda.

Brandon read the draft minutes of the Planning Commission meeting on 2-26-2018. Two corrections were noted as necessary: Darlene was originally assigned the Utility and Facility Plan, not Chip, and Paul was responsible for reviewing the Land Use Plan. There were no objections to accepting the minutes as corrected, and they were accepted without objection.

The Planning Commission discussed submitted edits for updating and amending the Town Plan. The Commission reviewed Hank's revised sections "Introduction and Overview," "History of Sutton," and "Economic Development," Darlene's "Utility and Facility Plan," Lucien's "Educational Facilities Plan," and Paul's "Energy Plan."

Next, the Commission reviewed ATV use regulation. A group of Sutton residents (including some members of the Commission) sent a letter to all households in regards to ATV use on public roads.

The Planning Commission will hold a special meeting on August 14 to review and accept the final edits of Sutton's Town Plan.

Darlene moved to adjourn. Lucien seconded. The meeting adjourned at 7:37 P.M.
