

Sutton Energy Committee
May 17, 2021
Sutton Fire Station and Via ZOOM

The meeting was called to order at 6:12 PM (due to technical difficulties with Zoom)

Attendance: Martha Tack, Maurice Guertin, Dana Patoine, Darlene Ahrens

Weatherization of Town Office Building update

Selectboard member Dennis Royer contacted Efficiency Vermont to ascertain what assistance they could offer Sutton. Essentially he was told the town needed to hire a contractor as a first step. That is not budgeted this year so it will need to be put on hold.

Window Dressers Update

Space: We have some options and are still trying to firm up the largest space for the builds.

Outreach: door to door

Coordinator: Maurice will take on this duty

Bookkeeper: Mary Waldron has agreed to track any money we have. Checks for window payment will be made out to Window Dressers and mailed to their office in Maine but we will need to track it. Also need to track any funds we raise and keep track of expenditures.

Measurement Teams:

Darlene and Gwen

Maurice

Dana

New Business.

Door to door outreach done by Byron, Martha and Darlene about weatherization programs. Went in the village last Sunday and will do more outreach in other areas.

The meeting was adjourned at 6:48
